CALTRANS TO ACTIVATE STATE ROUTE 180/41 RAMP METERING SYSTEMS TOMORROW

WHAT: ACTIVATION OF EXISTING AND NEW RAMP METERING SYSTEMS

WHEN: FULLY FUNCTIONAL BEGINNING TOMORROW, TUESDAY, OCTOBER 21ST
FROM 7:00 A.M. TO 9:00 A.M. AND FROM 3:00 P.M. UNTIL 6:00 P.M. AND
CONTINUING EACH WEEKDAY AT THE SAME TIME

WHERE: IN THE CITY OF FRESNO; EASTBOUND & WESTBOUND STATE ROUTE 180
CONNECTORS TO SOUTHBOUND AND NORTHBOUND STATE ROUTE 41

The California Department of Transportation (Caltrans) will activate ramp metering systems on Eastbound and Westbound State Route 180 to Southbound and Northbound State Route 41 beginning tomorrow, Tuesday, October 21st, 2014.

Once activated the metering systems will continue to operate each day from 7:00 a.m. to 9:00 a.m. and from 3:00 p.m. to 6:00 p.m. (Vehicles will be stopped at the meters and released two cars at a time per lane).

Ramp metering systems from Eastbound and Westbound State Route 180 to Northbound 41 were pre-existing and are being reactivated. Systems from Eastbound and Westbound State Route 180 to Southbound 41 were installed and will be new activation.

Various changeable message signs along 180 & 41 have been activated to notify motorists of ramp meter activations.

For further information regarding this project, contact the Public Information Office at the number listed above.
